RE: 2010-2011 School Public Accountability Report – Leon High School

Dear Parents and Leon Supporters,

It is with great pride that we distribute the Public School Accountability Report 2010-2011 for Leon High School. This report highlights key elements for Leon High School during the 2010-2011 school year and includes important information about your child's school such as: enrollment, test scores, free and reduced lunch rates, student and staff attendance, and student discipline incident statistics. You will also find information on teachers with advanced degrees, teachers out-of-field, school-community learning environment results, and the school improvement plan results.

The data are analyzed with an eye toward increasing teacher effectiveness, improving student performance, and providing a climate that is safe and conducive to learning. This valuable information is integral in the development and revision of our School Improvement Plan (SIP). By formulating and implementing these SIP strategies and achieving our objectives, we ameliorate as a learning institution with an uninterrupted record of excellence.

Leon has a rich history of meeting and exceeding School Improvement Plan goals while providing an outstanding high school program for our students. We have been able to accomplish this with the help of our outstanding faculty and staff, students, parents, community volunteers and partners. In addition to being the longest, continuously accredited high school in the state of Florida, Leon has maintained a rich and proud tradition of excellence for well over a century. In all fields of endeavor, both inside and outside of the classroom, Leon students are at the top in performance. Our students continue to excel academically with over 50 percent graduating with honors designations. Our graduating classes regularly garner the highest academic awards becoming National Merit Finalists, National Merit Semi-Finalists, National Achievement Scholars, National Commended Scholars, Florida Academic Scholars, and Florida Medallion Scholars. Consistently our students score above district, state, and national averages on the PSAT, SAT, ACT, and FCAT.

Parents and community volunteers continue to be among Leon's greatest assets. The Leon High School Foundation, Parent Teacher Organization, and School Advisory Council play significant rolls in ensuring that our school remains a leader in the state. During the 2010-2011 school year, parents and community members donated thousands of hours of volunteer service in support of our school. By combining our efforts, our commitment to creating an environment in which students become confident, self-directed learners continues to be a reality.

Please take time to review the information provided in this document. You can review this document by coming to the school or via the web, at [www.leon.leon.k12.fl.us](http://www.leon.leon.k12.fl.us). This report can also be viewed online at [www.fldoe.org/eias/eiaspubs](http://www.fldoe.org/eias/eiaspubs). If you have any questions, please don't hesitate to call. Again, your assistance in helping the students of Leon High School to achieve their greatest potential is both welcomed and appreciated. We invite you to join us in our school wide efforts as we continue our Tradition of Excellence.

Sincerely,

A handwritten signature in black ink that reads "Rocky Hanna". The signature is written in a cursive, slightly slanted style.

Rocky Hanna, Principal
